(a) **I Can See Clearly Now**

A great song for your group!
Thank you for the very supportive accompaniment.
The semibreves at the 'aahs' are hard to pitch.
Work on these (or you could leave them out).
A joyful presentation with some very nice singing.

(b) **Shake the Papaya Down**

Another great song for your group.
The percussion section really enhanced the song. The next step: 2 rhythms simultaneously!
Work on the 3rd section - this is the hardest part melodically.

Terrific to see the whole school singing!
And it was exciting to see the instruments come out with you.

A terrific performance, congratulations.
